

Dear brothers and sisters of English mass group

at Tachikawa Catholic Church

Since the emergency declaration of the government was canceled on 25th of May, our Tarcisio Isao Kikuchi, SVD Archbishop of Tokyo, has announced that we are given the opportunity to restart the Holy Mass from 21st of June step by step.

So, I restarted mass in Japanese on 20th of June (sat) after an interval of four months at Tachikawa church with some conditions, though.

I have been pushing forward the preparations to restart English mass and church activities, but a while longer, they will be canceled until all the preparations are settled down.

Tachikawa church opens at 9:00 a.m. on weekdays until 5:00 p.m., so you can come and pray here. Let's pray together that the situation will be settled as soon as possible.
