

## **Notice about Christmas and New Year's Masses**

In light of this present third wave of this prolonged pandemic, we ask your understanding of the following points regarding masses for Christmas (12/24 and 12/25) and New Year's Day.

### **1 . Please reserve a pew ahead of time.\***

\*Sadly, we must limit attendance this year to baptised Catholics.

\*Catechumens should consult the parish in advance.

### **2 . Maximum number of participants**

Non-parishioners attending these masses also could be a problem. If you are not a member of this parish but for some special reason want to attend one of these Masses, please contact the office (042-522-4265).

Anyone interested in Christ's teachings or wishing to learn about the Church is also encouraged to call the office.

We offer our sincere prayer that in the midst of this long pandemic that you and yours will know the peace and joy of the Lord this Christmas and into the New Year.
